

## **CANCELLATION NOTICE**

### **LF 369, NASA Langley Research Center Position Evaluation Statement Factor Evaluation System (Rev. Feb. 2001)**

**Cancelled effective 03-27-08.**

LF 369, NASA Langley Research Center Position Evaluation Statement Factor Evaluation System (Rev. Feb. 2001), was the tool used to collect information on a position and guide the final allocation of the position. This form is officially cancelled, because position evaluation forms can be found in Avue or the Federal Classification Standards.
